EXECUÇÃO DO PROJETO

The screenshot shows a web browser window with the address bar displaying `localhost:3000/pacientes_op`. The browser tabs include "Challenge Odontoprev Agosto", "gabrielft1901/SPRINT2_DEVOPS", and the current tab. The main content area displays a JSON array of two patient objects. The first patient has an ID of 1, name "Paciente 1", birth date "0.021249999999999998", contact "99999-00001", health plan "Plano C", and medical history "Histórico médico aqui". The second patient has an ID of 2, name "Paciente 2", birth date "0.03710575139146568", contact "99999-00002", health plan "Plano A", and medical history "Histórico médico aqui". The JSON is formatted with line numbers 1 through 18 on the left. The Windows taskbar at the bottom shows the date and time as 17:16 on 06/11/2024, along with weather information (25°C, Chuvu fraca) and various application icons.
